We can create absolutely anything in glass!
We regularly make totally bespoke awards to customers exact specifications - just let us have your ideas and we can turn them into reality.

W/5000 Union Jack Award

110x160x40mm

Cast Acrylic - these are designed as bespoke pieces, made to customers specifications to embed an actual product or part in crystal clear acrylic. We can print up to 4 colours for text and logos on these.

2D LASER PHOTOGRAPHS

Photos, logos and text deep lasered into glass. 2D Laser photographs is the successful partnering of cutting edge laser technology with real photographs. Any photograph, from a faded family print to a digital image can be used and transformed into a finely detailed crystal keepsake. 2D laser photographs make beautiful personal gifts and corporate gifts. The technology has many applications for the corporate market awards and small runs.

PACKAGING

This is just as important as the product for us and our customers. All items come in a quality presentation box, with either a satin lined interior or a black foam surround depending on the particular item. Custom made presentation boxes are possible with printed lids if required.
